

SC/MLA Scholarship Fund

The SC/MLA Scholarship Fund began as a memorial to honor Martha Watkins. Martha was a founding member of the Southeastern Conference of Hospital Librarians (SCHL) and a life-long leader, friend and mentor of SC/MLA. The scholarship fund was begun with the SCHL treasury after the organization disbanded in 1995, and has grown each year through donations. Originally, the fund was established to help a hospital librarian take a course or workshop at the Southern Chapter annual meeting by applying for the Martha C. Watkins Memorial Scholarship (<http://www.scmla.org/mom.htm>). However, that award is now endowed, so the scope of the scholarship fund has been expanded. We are hopeful that it will eventually provide funding for all SC/MLA Awards and Grants.

Donations can be made throughout the year, at the meeting or with your annual membership renewal. Donations may be designated to the general scholarship fund, or can be specified for one of the awards or grants: Research Grant, Academic Librarian of the Year Award, T. Mark Hodges Outstanding Service Award, Martha C. Watkins Memorial Scholarship, Hospital Librarian of the Year Award or Annual Meeting Scholarship Award (for First Time Attendees).
